# Letter from the Convention Director

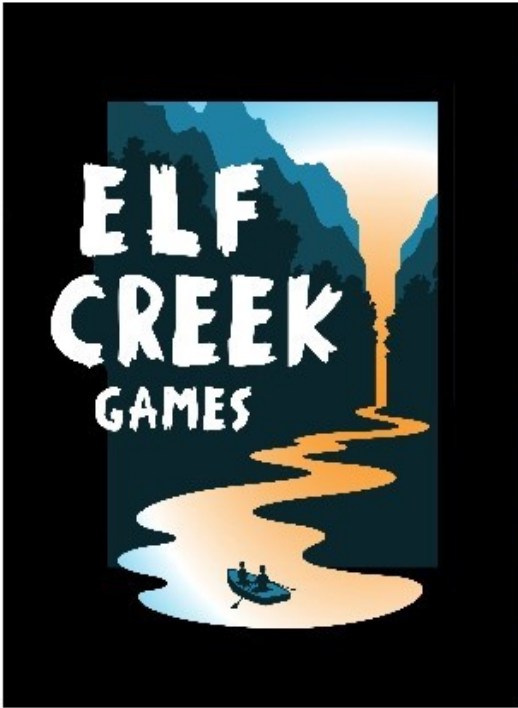

On behalf of the owners of SCARAB, welcome to SCARAB 2024. The overwhelmingly positive reception to the relocation to the Embassy Suites was greatly appreciated. We have worked with hotel management to (hopefully) improve your convention attendance experience. Please make sure to express your appreciation to the hotel staff for their work hard in helping us bring you the best four days of gaming in South Carolina!

Your presence is invaluable to us, and we sincerely appreciate the effort and time you are dedicating to be a part of this event. If you have any questions or require further information before the convention, please feel free to reach out to any of the owners. We are here to ensure your experience is seamless and enjoyable.

Once again, thank you for your commitment to SCARAB. We look forward to welcoming you and creating lasting memories together. Your presence will undoubtedly make the event even more special!

Brian Gambrell  
SCARAB Convention Director
